### PRESS RELEASE

The First Annual West Valley Island Cultural Festival, November 2, 2013

Arizona - The First Annual West Valley Island Cultural Festival celebrates Polynesian culture: music and dance performances; and classes for music, dance, and lectures. The festival will feature Arizona's finest Polynesian music, teachers, and dance performers, offering attendees a showcase of Polynesian music and culture.

Also, an added feature to this event will be a "Singles Corner", for singles to meet other singles. Single women are encouraged to wear their flower behind the right ear in keeping with the Hawaiian culture to let men know that they are available.
